Subject No 171 of R. A. Page of 1893. Formation of Hosa-durga Sub Taluk into a Taluk.

Summary of discussion. — Hosadurga Sub-Taluk should be constituted into a Taluk. In doing this, a portion of the Kadur Taluk and some villages from the Chitaldrug Samnat may be added on to Hosadurga together with the Hariyur Sub Taluk. This would not make the Chitaldrug District (which is not a large one) unduly large. The want of a Treasury at Hosadurga is much felt.

Decision pefly. — Will consider when opportunity occurs.

Subject No 80 of R. A. Page of 1895. Constitution of Hosadurga into a Taluk.

Summary of discussion. — Along the road from Molakere to Chitradurga Tandali, there are two Sub-Taluks, namely Hariyur and Hosadurga. The absence of a treasury midway between Chitradurga Tandali and Molakere is much felt. It is requested therefore that Hosadurga may be made the head quarters of a Taluk.

Reply of Govt. — Noted.

Essing is important, as
situated in a central position
with reference to these villages.
It is proposed to add to the
present roadway Sub-Judge
the Bridal side of the Judicial
Sub-Jail and the Criminal
Hall of the Assize Court.
By the Cattle Pound, communication
with Assize is already difficult
owing to the presence of hills
and jungles in the way and
the difficulty will be greatly
enhanced when the Cantonment
Reservoir now under construction
is completed. The present
pathways will then be submerged
and men will have to make
long and tedious detours. The
size of the present Assize
Court is also at present
unduly large and the closing
of the Criminal Court floor
at once adding it on to Assize

will give the Natives a relief
at very much needs. The Taxes
and Surcharge of the Jail Chalte
Hall will find it a matter of
great difficulty carrying families
to Trinque more unwholesome

expressed their willingness

the Deputy Commissioner Durrung
a copy of whose Letter is

in favour of its being added on

urged against it is the inconvenience
that will be caused by the
abolition of the Trinque Sub-Jail
I beg to state that it is not
absolutely necessary that in
order to reconstruct the Kasimpa
Jail that the Trinque Jail
should be abolished.

to it & make it more compact.
Now a revenue point of view
however it is certainly more
advantageous to have the
Judicial Kolli under the Hosdurga
when there is a taluk Kacheri
and a Treasury there. For in
that case, Taluk authorities
will have to go only 40 to 45
miles instead of 80 miles to
Chinnayakanhalli. Of course
it is considered unadvisable
to alter the present constitution
of the Kalinga Sub-division
& they very strongly recommend
that the Hosdurga taluk be
formed by the addition
of the Lakkidinadu Hobli to it.
It will then be certainly

The proposal for the re-constitution of the Mavelikara Taluk is not complete - the statement submitted does not give the revenue of the villages.

The Officer does not say anything about the Thamblicoy Charges. It is not likely that these charges will in any way be affected when whole Hoblis are transferred.

Hal malle Devaswom Kaval stands as a detached bit. Is this to go with the new Taluk?

With reference to the above, I am to observe that if as proposed the Sub Taluk of Hosdurg be reconstituted into a Taluk, Huliyar Sub Taluk will have to be abolished, Chiknaikanhalli which is at present very small

Sir,

With reference to your
docket no. 3473 / A 1134 dated 27th Oct.
last I have the honor to state
that the constitution of the
Hosdurga Taluk on the lines
suggested is the only arrange-
ment that appears to be
suitable. I send copy of
letter no. 500 dated 21st) recently
received from the Superintendent
of Mysore Revenue Survey,
who concurs in my views. The

Deputy

Deputy Commissioner, Tumkur
however, does not consider
the abolition of the Huliyar
Sub-Taluk advisible more
especially as a new Sub-Taluk
Kutcherri has recently
been built there. There is however
no reason why the proposed
new Taluk should not be formed
even though this Sub-Taluk
Kutcherri has been built at
Huliyar. That building may
be used for other purposes.
I hear there is no decent school-
building at Huliyar, and the
Sub-Taluk Kutcherri may
be converted into a school-
house for which it is eminently
suited. I beg to submit a map
shewing the Hosdurga Taluk
as it is proposed to be formed
and a statement shewing
area & no. of villages to be
included in it. The map is
drawn to a scale of 2 miles
to an inch as Source Taluk
maps are drawn; and a
glance at it will shew that

The Deputy Commissioner

Sir,

I have the honor to acknowledge the receipt of your letter no 681 dated 22nd December last requesting my opinion on the subject of the conversion of the Hosdurg Sub-Taluk into a Taluk. I should have replied earlier, but delayed, as I had hopes of discussing the matter with you personally.

2. The proposed arrangement will of course entail considerable labour and expense with reference to the

the cancellation of Talukmafs
which have been already
prepared; but of course, this
consideration should not
be allowed to stand in the
way, if the new arrangement
is really necessary.

3. Both the Holdings and
the Chikmagalur Taluks
would be rendered more
compact by the proposed
arrangement. The people of
the Budihal Hobli naturally
object to their Hobli being
added on to the newly proposed
Hosdurga Taluk as Huliyar
is more convenient for them
than Hosdurga, but their
objections should not be
allowed to stand in the way
as Hosdurga would be within
quite a reasonable distance.
The formation of the new Taluk
without including the Budihal
Hobli would not in my opinion
be advisible. Huliyar would,
of course, cease to be a Sub-
Taluk

Taluk, and this would cause no great inconvenience, ~ excepting to some villages in the N. E corner of the Chickmankanhalli (present Hulijur sub-Taluk) Taluk. The convenience to the people of the Hulijur sub-Taluk under existing arrangements is so great that opposition ~ from them to the proposed new arrangement must (of course be expected.

4. As regards the transfer of the Lakkihalli Hobli from the Hirisave Taluk, there seem to be no two opinions. The Amildar of Hirisave expressed to me a very strong opinion on the desirability of the transfer from Hirisave of the Hobli in question.

5. There at any rate, seems to be necessity for the establishment of a Sub-Treasury somewhere between Chickkamankanhalli and Holalkere.

/

6 — All changes in Tack & boundaries are extremely inconvenient in the matter of the consequent cancellation of Tack maps, but as I have already observed, this inconvenience must be considered subsidiary to really necessary territorial changes.

I have &c.

Sir

In reply to your Revenue No. R. 5600-601 / R 716-1902 dated 9th instant, I have the honor to state that the four villages of Hebballi Nerūru, Kumbargatta and Nilapura which are at present attached to the Nalcal Kere Taluk and which form one Shanbogue's charge may be allowed transferred to the new Taluk of Hosdurga as proposed by the Superintendent of Revenue Survey.

2. The proposed transfer from Nalcal-kere to Hosdurga of the villages of Baila-halli, Sadguttu, Mallapura, Bandi-halli and Jangalhalli would while not giving us a straight boundary, involve

involve the breaking up of the charge of a Shanbogue. I would therefore leave these five villages in the Holalkere Taluk.

3. The village of Jeenahal may remain in the Hosdurga Taluk without any inconvenience.

4. The marginally noted eight- villages of the Chikmaikanhalli Taluk which come within the Badihal block of villages transferred from the Halyal sub-Taluk should also be transferred to the new Taluk and the Halmalidevi area kewal omitted from the list of villages to be transferred. I had addressed the Deputy Commissioner of Tumkur as regards the transfer of the said eight- villages, but I have not yet received a reply from him.

5. I shall shortly address you regarding the future adjustment of villages of the Lakkihalli Hobli with reference to the submersion of some of them by the Marikanive tank, but the formation of the new Taluk from 1st July next need not be deferred on this account.

6. The new Taluk of Hosdurga will for the present consist of four Hoblis with 253 villages as noted below.

I have the honor to acknowledge your Docket no: R 5600-601 dated 7th June 1902 with R. Dis 16-1900
its enclosures and to state that the suggestions of the Superintendent of Revenue Survey to add the villages of Immanisan, Kasinadu Kavakavalu, Hanumalli, Hallenhalli Kadirangere Sadanhalli Ranganahalu and Kuchanahalu to the new Kadirangere Tank, will certainly tend to greater convenience in demarcating the boundary between the new Tank and Chikmayakondahalli and

some difficulty would arise in in the case of the village of Kadamgere which along with Vela-
-nadu forms one Shanbhog charge.

2. Kalmaladevankaval might remain to the Chikkanayakanhalli Taluk in view of drawing an even boundary as suggested by Mr Meek to the Superintendent of Revenue Survey.

3 As Kaggere and Kadirekanne Kaval are already ordered to be transferred to the new Kasaba Taluk, and as access to the village of Kadamgere can-not be had except over the land of Kaggere and Kadirekanne Kaval the easiest solution would be to retain Kadirekanne Kaval to Chikkanayakanhalli Taluk. If that is not possible the only alternative would be to constitute Kadamgere a separate Shan-bhog charge before handing it over to the new Kasaba Taluk.

4. With regard to the other villages I have the honour to inform you that five of them, viz. Hanumalli, Kilavalli, Salavalli, Kanale Pan-

and Kanchapura form one group under in charge of one Khanchoy. Gurumbaru is one of the villages of the Channakalli Khanchoy

ABSTRACT

State that they mean that the Belgan Nagara village joined to Hosadurga Taluk and pray that it may not be joined to Hosadurga but remained attached to Kadur Taluk alone for the following reasons:

1 Although Hosadurga is near to Belgan than Kadur is, the way to Hosadurga lies through thick forests infested with wild beasts which make

In the rainy season, the passage is cut off by the Vedavati river which becomes full of floods and which has no bridge ~~over~~ over it.

There is no convenience for lodging and water in Hosadurga.

Hosadurga has no Railway communication as Kadur has.

All the money transaction of Tahsildar, is with Kadur Taluk, and therefore, they will be put to the difficulty of going to Kadur & Chikmagalore for Civil cases, and to Hosadurga, for Revenue and Criminal cases.

They further state that they have not submitted any [illegible] regarding the matter before

Dear Sir

Your D.O. 5 1st inst re new Bowring Tank.

The Cess Commissioners received their reply letter No 730 of 12th May 1902 & it is difficult to make definite suggestions regarding the new Boundary stones to bring it strictly into the boundary as fixed by the Gazette notification. The difficulty regarding location of Boundary stones should not be allowed to stand in the way.

Practically the Cess Commissioners agreement to what I have suggested, please note in margin should remarks which I have made in the

Letter No 69 dated 14th June 1922 from the Deputy Commissioner, Chittagong Hill Tracts, to the Secretary to Government of Bengal, Revenue and General Department.

In reply to your letter No. R-Estt-6 dated 9th instant, I have the honour to enclose the following villages of Headmen, Karbaris, Kamlengtha and Talaimura, which are at present attached to the Bohmong Circle Taluk and which from one Standing charge may be amalgamated with the new Taluk of Headman as proposed by the Superintendent of Revenue Survey.

2. The proposed transfer from Headmen to Headmanships of the villages of Chakmakali, Dalgata, Kaliapura, Sawaikali and Lemiyakata, would not give rise to any boundary question, inasmuch the breaking up of the charge of a Chaudhuryani would not force these five villages in the Bohmong Taluk.

3. The village of Jamtal may remain in the Headmanship Taluk without any inconvenience.

4. The remaining eight villages of the Chakmakali Taluk would come within the Bohmong Circle if villages transferred from the Chaiya Circle Taluk should also be transferred to the newly

cannot be had except over the Lands of Nagare and Kudaremane Kere, the easiest solution would be to retain Kudaremane-Kere to Chinnekanahalli Tank. If this is not feasible, the only alternative would be to construct drainage a Separate Standhagne Channel before the Landing Ground to the new Madanga Tank.

4. With regard to the other villages, I have the honour to inform you that five of them viz Narasihalli, Ankanahalli, Sadarahalli Nagalapura and Kanchipura form one group and are in the charge of one Standhagne. Gurumapura is one of the villages of the Somanahalli Taluk of Bangalore District.

5. The Deputy Commissioner of Bangalore reports that the Kaimara Gramanas and the other Karnik have no Standhagnes and that no village accounts are maintained for them.

Letter No 1 dated 21st June 1920 from the Deputy Commissioner, Kumaun Division, to the Secretary to the Government of Nagpore, Revenue and General Department.

I have the honour to acknowledge your docket No 5800-60 dated 7th June 1920 (R.T. 16. 1920) with its enclosures and to state that the suggestions of the Superintendent of Revenue Survey to add the villages of Gwanajor, Kainala Kanawal, Parenkoti, Auchali, Kadaneyan, Sobtali, Kupadyun and Kuchkuria, to the new Kasaurga Taluk will certainly lead to greater convenience in demarcating the boundary between the new Taluk and Bhikiasain, but some difficulty would come in in the case of the village of Kadaneyan which lies very well Geographically from the Kasaurga charge.

2. Kainalakanawal ought remain to the Bhikiasain Taluk in view of securing an easy boundary as suggested by the Superintendent of Revenue Survey.

3. As Kapkot and Kanalakanawal are already ordered to be transferred to the new Kasaurga Taluk and to access to the village of Kadaneyan

Taluk and the Sahuara Devar Kanal omitted from the list of villages to be transferred. I had addressed the Deputy Commissioner of Canara regarding the transfer of the said eight villages, but have not yet received a reply from him.

5. I shall shortly address you regarding the further adjustment of the villages of the Sakleshpur Taluk with reference to the Submersion of some of them by the Hemavathi Kanal, but the formation of the new Taluk from 1st July next need not be delayed on this account.

6. The new Taluk of Hassan will for the present consist of four Hobli with 253 villages as noted below.

1. Hassan Hobli — 64 villages.
2. Bagur Hobli

Present Hobli 62 villages
To be transferred from Holenarsipur, Ramgiri Hobli, vide para 4 — 66 villages.

Finance and Revenue Department,

Bangalore

Sir,

In continuation of my letter No (Camp) 69 dated 20th June 1902, I have the honor to bring to your notice that the names of some of the villages of the Budihal Hobli transferred to the new Hosadurga Taluk as notified in the Mysore Gazette dated 1st May 1902 do not correspond with those given on the map of the Chitaldrug-Kalli Taluk and with their real names as noted below:—

× Received yesterday from the Superintendent of Revenue Survey

As given in the map of Chikkaiahnahalli Taluk.	Real or Correct names	As given in Government notification no 4909 RR16-1900 dated 26th April 1902.
1. Malihalli	Mallihalli – (ಮಲ್ಲಿಹಳ್ಳಿ)	Mallenahalli No 198.
2. Guruvapur	Guruvapura also known as Krishnapura – (ಗುರುವಾಪುರ ಅಥವಾ ಕೃಷ್ಣಾಪುರ)	Krishnapura No 202
3. Mangsamudra	Mangasandra – (ಮಂಗಸಂದ್ರ)	Mayasandra No 213.
4. Mailapur	Mailarapura – (ಮೈಲಾರಪುರ)	Maylrapura No 204
5. Do Tekalvatti	Dod Tekalvatti (ದೊಡ್ಡ ತೆಕಲವಟ್ಟಿ)	Dod Tekalvatti Kaval No 231
6. Tekalvatti Kunda Kaval	Chik Tekalvatti Kaval (ಚಿಕ್ಕ ತೆಕಲವಟ್ಟಿ ಕಾವಲ್)	Chik Tekalvatti Kaval No 229

I beg that the correct names may be notified — If there is a village by the name of Dod Tekalvatti Kaval apart from the village of Dod Tekalvatti (which latter has not been included in the list published in the Gazette), the latter may now be notified as transferred to the Hosadurga Taluk.

2. It will be seen from the above that Guruvapura, one of the Eight villages mentioned in para 4 of the Survey Superintendent's letter to your address No 790 dated 12th May 1902 is but another name for Krishnapura whose transfer has already been notified. The other seven villages (noted in the margin for ready reference) should be

1. Kalinadu Horkaval.
2. Karénahalli.
3. Kallénkalli.
4. Sadanahalli.
5. Kengapura.
6. Kenchapura.
7. Kadavaére.

be transferred to the Hosa durga Taluk as early as possible, as they are situated within the block already transferred. In doing so, it will be advisable to transfer the village of Gavirangapura also, as I understand that it is included in the Shanbogi Circle of Kadavageere.

3. The village of Halmalleshwar Kaval is situated altogether outside the Budihal block and its transfer to Hosa durga Taluk should be cancelled.

4. The four villages of Kebballi, Mérur, Kumbarkatté and Nilapura now belonging to the Holalkere Taluk may be transferred to the Hosa durga Taluk as already recommended.

5. Of the 62 villages of the Lakkinalli Hobli transferred from the Hiriyur to the Hosa durga Taluk, the 29 villages named in the accompanying list A are situated on the left bank of the River Védavati. Of these, Nos 1 to 21 inclusive are more easily accessible from Holalkere than from Hosa durga. These 21 villages have been formed into four Shanbogi Charges and the Shanbogues thereof at present reside at Hortikéshwara belonging to the Holalkere Taluk.

(X)
1 Lakkihalli
2 Sirankatte
3 Madihalli
4 Timmalapura
5 Iraveri
6 Thammenahalli
7 Syamanahalli
8 Hosahalli

21 villages desire that their villages may be added to Holalkere instead of to Hosa durga. Likewise, the eight villages nos 22 to 29 (noted in the margin) form the charge of the Lakkihalli Shanbogue who lives at Sirankatte. Of these eight villages, all except Lakkihalli and Sirankatte, will be submerged Entirely or almost so, by the construction of the Marikanve Reservoir. The area of arable land which will be left unsubmerged in these six villages will be so small that it is not likely to be taken up for cultivation here after, so that practically, after the completion of the reservoir, the Lakkihalli Shanbogue will have but two villages, viz, Lakkihalli and Sirankatte to look after. It will, under these circumstances, be convenient to transfer villages nos 16 21 to the Holalkere Taluk and nos 22 to 29 to the Hiriyur Taluk. This arrangement will give us a pretty regular boundary for the Hosa durga Taluk in the North-Eastern direction.

2. Timmalpura - nil
3. Madihalli 59 acres.
4. Syamanahalli 175 acres.
5. Thammenahalli nil.

6. If the above mentioned arrangement be sanctioned, the Head Quarters of the Lakkihalli Sheikdar may advantageously be removed

renamed as Mathodu into the Hobli consisting of 53 villages on the right bank of the River Kedavati may be styled the Mathodu Hobli. Mathodu was once the Head Quarters of a Taluk and latterly of a Hobli. It is a pretty large village with a population of 800 souls. It is centrally situated with reference to the 53 villages with which it is proposed to constitute the Hobli as noted below: —

Sir, In reply to Government Proceedings
no 4368-4708 dated 28th April 1902, enquiring
Rev. 16-1900
as to how the Sub Taluk Cutcherry at Huliyar
can be utilized, I have the honor to inform
you that no use can be found for it except
by converting it into a Travellers' Bungalow
or by handing it over to the Inspector General
of Education for the Anglo-Vernacular and
Hindustani Schools as per his docket no 1304-12
dated 14th May 1902.

2 I inspected the Sub Taluk Cutcherry,
the Travellers' Bungalow and the Anglo-
Vernacular and Hindustani School on the 12th
and 13th instant. I found the schools
located in the town and amidst fairly
clean surroundings. There is a Girls' School
also at Huliyar, held in a very low-roofed
building. The townspeople were quite against
the removal of the Schools to the Sub-Taluk
Cutcherry or the Travellers' Bungalow on

The

the 2 core of this distance from the Taluk Main
Reasons however sound with regard to
Very young children, cannot hold good in the
Case of the boys in higher forms.

3. The Hindustani School is held in a decent building and might continue where it is. The higher forms of the Anglo-Vernacular School can be transferred to the Travellers' Bungalow, the lower forms being left where they are. The proposed removal of the higher forms would make the rooms occupied by them available for the Girls' School.

4. The Sub-Taluk Cutcherry contains the Police Station and Lockup. The rest of the building can be made available as a Travellers' Bungalow. The Kitchen and the Stable of the Travellers' Bungalow can continue as such as they are not very much farther from the Sub-Taluk Cutcherry.

Survey Supt's office
Bangalore 31st October 1902

From,

Col. J. P. Grant
Superintendent of Mysore Surveys

To

W. W. Markham Esq. C.S.
Revenue Commissioner in
Mysore.

Sir,

I have the honor to acknowledge receipt of your letter No 845 dated 24th October 1902 asking my opinion on certain suggestions by the Deputy Commissioner Chitaldrug District as to alienation of Government Waste lands

No R.F.S.9-02 dated 1st August 1902 on the formation of the new Taluk.

2 So far as the Orders of 1st August last affect the Survey and

the Resolution effects the question
of transfer. I am opposed to the
retransfer of these villages to the
Kidderpur Taluk.

4. The Deputy Commissioner
at Para 3 of his letter dt 30th of 23rd
Sept 1922 writes as if the village
of Salmaldanga Kanal remains
transferred to Canning and requires
amendment. This is not so, as
under Government Proceedings of
1st August last it is transferred to
the Chittaranjan Thana & this is
directed.

5 Regarding generally the
interests of Standings and their
charges should not be altered
too much weight when important
territorial changes are under
consideration.

6 The 21 villages detached
at Para 3 above are now being
separated as for purposes of revision
as belonging to the new Standing

Taluk

I am not surprised that the Hastings
wish for the transfer of these 21 vil=
=lages to the Radcliffe Court. Still
I am free to admit that these
21 villages are a little more con=
=veniently situated with reference
to Radcliffe, as compared with
Hastings. They are not however
at any great distance from Hastings.
The constant changes are much
undesirable but I must admit
that the 21 villages in question
are more accessible from Radcliffe,
than villages of the 52 originally rejected
are now proposed to be substituted
to Hastings Court. yet they were
originally transferred from Hastings
as being beyond the Hastings Court
range and inconveniently situated
with reference to villages (see Art 2
of Dy: Commrs Order of 13 Feb 1890 - date of
31-1-92). I do not see that the
fact of 4 of these villages being
wholly or partly embraced by
the

and Châteaudun dated Tours, the only new suggestion in the Deputy Commissioner's letter No. 65 of 23rd July 1902 (excepting the correction of names and the intimation that Gurmukhsingh and his sureties are released, with the transfer already notified under the latter name) is that the villages of Gurmukhsingh should also be transferred from the Châteaudun Tahsil to the new Godhra Tahsil. This is easy to do but the examination of the Standing Still Register against the transfer.

3 As regards the villages transferred in original notification from the Broach Tahsil to the new Godhra Tahsil, the Deputy Commissioner has written very clearly.

Of these villages are now prepared to be transferred to the Godhra Tahsil. These villages represent 5 Standings charged and the Standings recorded in Register — Number of the Godhra Tahsil at least a couple of miles outside the nearest edge of the 6 villages.

I

Court (as part of said Assignment).
This may not cause much serious
inconvenience, but all these
changes no doubt give trouble &
extra work.

I Deputy Commr's letter No 56
with its enclosures and copy of
Legal Proceedings & Plaint &c
herewith returned.

I have the honor to be

The Director General of Revenue Mysore,

SIR,

With reference to your circular No. R 20/1 dated 3rd December 1912, R 3/5-1912

I have the honour to inform you that I inspected all the school buildings and the new Sub-Basic Gallicary at Kadiyur this morning. I have no hesitation in stating that the latrine which is just the best and free unoccupied room of the new Sub-Basic Gallicary is to be used in the two English classes and Kannada classes from 10th to 16th of the first Anglo-vernacular

Colored. The position of the Red Cottage
occupied by the Vicar is quite apart
and this part in the Town interferes
with the Colored Classes. We know be
said that the Cottage Property
is to go to the Boys' School,
but the alternate suggestion of
the Rural Commissioners to convert
the present Master of the Cottage
into a Teacher's Residence, and
erect some Class of the Girls' School
in the present Master's Garden
does not seem to be Commendable.
The Town of the Red Cottage will
be given to the Girls' School. Then
Building for the use of Teacher. The
Master of the present Mandal's Bun-
galow might one day be too small
for a Class Room, but the Bungalow
is Conveniently Sited for the use
of Teacher, but there is an
excellent Class Room also and a

a Negro citizen in the district. I found from the records, supplied by the clerk of Negro children attending school from January to December 1935. Under the circumstances it seemed to me a duty to this court and citizens of the district, to call Isaac Gustavus by for the use of testimony, and give the present situation for those of the high-learned school.

When the higher class of the High-learned school are removed to the new Col-ored Gustavus building, the I. and higher class will continue to be held in the old Col-ored building, where they have been and the Gustavus school which is at present in a rented building will be removed to the vacant lot of the old Col-ored building.

It is my duty that the Col-ored Class of the institution of the Negro citizens in the district should be entitled to the right of holding

the higher classes of the night-schools
raised in the last century, chiefly
because they kept the apprentices to
trade pledges & Sunday work
after noon.

The appended Circular letter from the Government of India (Department of Revenue and Agriculture) No. 7—68-2, dated 6th May 1895, will be communicated to the Superintendent of Revenue Survey, the State Geologist, the Deputy Commissioners and Executive Engineers, with a request that they will communicate to the Secretary, D. P. W. all changes of the kind referred to in the above quoted Circular letter of the Government of India which may come under their observation and require to be entered or altered in the published Topo. sheets.

"Government of India Circular No. 7—68-2, dated 6th May 1895."

"It has been brought to the notice of the Government of India that considerable portions of the country are periodically being brought under Survey for the purposes of Provincial Administration, but that advantage is not taken of this work to keep corrected up to date, so far as material is available, the topographical maps which have been prepared by the Survey of India Department."

2. "I am accordingly to request that, whenever local surveys are undertaken, the officer in charge may be instructed to compare his results with the topographical survey sheets of the tract under survey and to communicate the results to the Survey Department wherever a change in physical features is apparent, or where new main village sites (excluding subsidiary hamlets) have been founded, or new railways, roads, canals, or similar major works have been constructed, and do not find a place upon the topographical survey sheets."

3. "As the arrangements for survey differ from Province to Province, the manner in which the information will be most conveniently supplied should be settled in direct communication with the Surveyor General."

READ AGAIN—

Government Proceedings Camp No. 36, dated 8th November 1882, directing the transfers of certain villages and taluks in the Chitaldrug District and reducing the Hosdurga Taluk to a Sub-Taluk.

READ—

(1) Representations made at the Dasara Assembly of 1893 and 1895 that the Hosdurga Sub-Taluk be constituted a taluk (Subject No. 171—1893 and 80—1895.)

(2) Petition No. 1789, dated 18th November 1897, from Seshachar and others praying for the establishment of Sub-Treasury at Hosdurga or for the Sub-Taluk being made into a Taluk.

(3) Letter No. 636, dated 3rd January 1898, from the Deputy Commissioner, Chitaldrug District, reporting that for want of a Treasury between Holalkere on one side and Chiknayakanhalli on the other, a distance of 63 miles, very great inconvenience was being experienced by traders and patels carrying remittances to Taluk Treasury, and recommending the formation of a Taluk at Hosdurga and the abolition of the Huliyar Sub-Taluk, the Budihal hobli of the Sub-Taluk being added to Hosdurga.

(4) *Letter No. 632—607, dated 31st January 1899, from the Deputy Commissioner, Chitaldrug District.*

With reference to your docket No. 3036—Pet. 1038, dated 1st March last, regarding the proposed formation of a new taluk with head-quarters at Hosdurga, I have the honor to forward a map showing the proposed taluk, and a list showing the villages that, it is proposed, should constitute that taluk.

2. A glance at the map will show that Hosdurga, a fairly large town now and rapidly rising in importance, is situated in a central position with reference to these villages. It is proposed to add to the present Hosdurga Sub-Taluk the Budihal hobli of the Huliyar Sub-Taluk and the Lakkihalli hobli of the Hiriyur Taluk. In the latter hobli, communication with Hiriyur is already difficult owing to the presence of hills and jungles in the way, and the difficulty will be greatly enhanced when the Marikanave reservoir, now under construction, is completed. For the present pathways will then be submerged and men will have to make long and tedious detours. The size of the present Hiriyur Taluk is also at present unduly large and thus slicing off of the Lakkihalli hobli from it and adding it on to Hosdurga will give the taluk a relief it very much needs. The patels and shanbhogs of the Lakkihalli hobli now find it a matter of great difficulty carrying remittance to Hiriyur over uninhabited jungle tracts and they have xpressed their willingness to welcome the proposed change. As regards the Budihal hobli, the Deputy Commissioner, Tumkur, a copy of whose letter is herewith submitted, is not in favor of its being added on to Hosdurga. The main argument urged against it is the inconvenience that will be caused by the abolition of the Huliyar Sub-Taluk. I beg to state that it is not absolutely necessary that, in order to re-construct the Hosdurga Taluk, the Huliyar Sub-Taluk should be abolished. It may remain as it is and perhaps some villages from the Chiknayakanhalli Taluk proper may be added to it to make it more compact. From a Revenue point of view, however, it is certainly more advantageous to have this Budihal hobli under Hosdurga when there is a Taluk Cutcherry and a Treasury there. For, in that case, patels and shanbhogs will have to go only 9 to 15 miles instead of 20 miles to Chiknayakanhalli. If, however, it is considered inadvisable to alter the present constitution of the Huliyar Sub-Taluk, I beg very strongly to recommend that the Hosdurga Taluk be formed by the addition of the Lakkihalli hobli to it. It will then be certainly more important than the Molakalmuru or the Jagalur Taluk.

3. The petition received with your docket is herewith returned.

(5) Docket No. 3473—1134, dated 27th October 1900, from the Secretary to the Government of Mysore, General and Revenue Departments, requesting the Deputy Commissioner, to place himself in communication with the Superintendent, Mysore Revenue Survey, and the Deputy Commissioner of Tumkur and submit a further report with statistics of Revenue, population etc.

(6) Petition Registered No. 1150, dated 10th December 1900, from the shanbhogs, patels etc., of the Belagur magani of the Kadur Taluk, praying for their magani being added to the proposed Hosdurga Taluk.

(7) Petition No. 1605, dated 8th February 1901, from the shanbhogs Sivaramaiya and others of Yelanadu, praying that the Huliyar Sub-Taluk be made into a taluk.

(8) Also petitions Nos. 1607 dated 7th February 1901, and 1601 dated 8th February 1901, on the same subject.

(9) *Letter No 800, dated 30th March 1901, from the Deputy Commissioner, Chitaldrug District, to the Secretary to the Government of Mysore, General and Revenue Departments.*

With reference to your docket No. 3474—R. 1134, dated 27th October last, I have the honor to state that the constitution of the Hosdurga Taluk on the lines suggested is the only arrangement that appears to be suitable. I send copy of letter No. 500, dated 21st January, received from the Superintendent, Mysore Revenue Survey, who concurs in my views. The Deputy Commissioner, Tumkur, however, does not consider the abolition of the Huliyar Sub-Taluk advisable, more especially as a new Sub-Taluk Cutcherry has been recently built there. There is, however, no reason why the proposed new taluk should not be formed, even though this Sub-Taluk Cutcherry has been built at Huliyar. That building may be used for other purposes. I hear there is no decent school-building at Huliyar and the Sub-Taluk Cutcherry may be converted into a school-house, for which it is eminently suited. I beg to submit a map showing the Hosdurga Taluk as it is proposed to be formed, and a statement showing area etc., of villages to be included in it. The map is drawn to a scale of two miles to an inch, as some Taluk maps are drawn, and a glance at it will show that the proposed taluk will be a very compact one and of decent size. The kaval at the southern end may be attached to the Huliyar hobli, and made to form part of the Chiknayakanhalli Taluk.

Copy of letter No. 500, dated 21st January 1901, from the Superintendent, Revenue Survey, to the Deputy Commissioner, Chitaldrug District.

I have the honor to acknowledge the receipt of your letter No. 681, dated 22nd December last, requesting my opinion on the subject of the conversion of the Hosdurga Sub-Taluk into a Taluk. I should have replied earlier, but delayed, as I had hopes of discussing the matter with you personally.

2. The proposed arrangement will of course entail considerable labor and expense with reference to the cancellation of Taluk maps which have been already prepared; but of course, this consideration should not be allowed to stand in the way, if the new arrangement is really necessary.

3. Both the Holalkere and the Chiknayakanhalli Taluks would be rendered more compact by the proposed arrangement. The people of the Budihal hobli naturally object to their hobli being added on to the newly proposed Hosdurga Taluk as Huliyar is more convenient for them than Hosdurga, but their objections should not be allowed to stand in the way as Hosdurga would be within quite a reasonable distance. The formation of the new Hosdurga Taluk without including the Budihal hobli would not in my opinion be advisable, Huliyar, of course cease to be a sub-taluk, and this would cause no great inconvenience excepting to some villages in the North-east corner of the Chiknayakanhalli (present Huliyar Sub-Taluk). The convenience to the people of the Huliyar Sub-Taluk under existing arrangements is so great that opposition from them to the proposed new arrangement must of course be expected.

4. As regards the transfer of the Lakkihalli hobli from the Hiriyur Taluk, there seem to be no two opinions. The Amildar of Hiriyur expressed to me a very strong opinion on the desirability of the transfer from Hiriyur of the hobli in question.

5. There at any rate seems to be necessity for the establishment of Sub-Treasury somewhere between Chiknayakanhalli and Holalkere.

6. All changes in taluk boundaries are extremely inconvenient in the matter of the consequent cancellation of taluk maps, but as I have already observed, this inconvenience must be considered subsidiary to really necessary territorial changes.

(10) Letter No. 394, dated 14th April 1901, from the Deputy Commissioner, Chitaldrug, stating that the Deputy Commissioner of Kadur has no objection to the transfer of the Belagur magani to the proposed Hosdurga Taluk.

(11) Further correspondence ending with docket No. 100, dated 30th July 1901, from the Deputy Commissioner, Chitaldrug.

No. R. 4868-4908—R. F. 16-1900, DATED BANGALORE, 28TH APRIL 1902.

ORDER THEREON.—The Sub-Taluks of Huliyar and Hosdurga will be abolished and a new taluk styled the "Hosdurga Taluk" constituted with effect from 1st July 1902 and attached to the Chitaldrug District.

As shown in the detailed list appended hereto, the new taluk will consist of :—

(1) The present Hosdurga Sub-Taluk comprising the Hosdurga and Bagur hoblis;

(2) The Lakkenhalli hobli transferred from the Hiriyur Taluk;

No rent to be charged to those in receipt of salaries under Rs. 15.

But Government reserve to themselves the right of fixing special rent in such cases as they may consider necessary.

3. No rent is to be charged—

(1) To officers whose residence within, or in close proximity to the premises of the institution in which they are employed, is considered by Government to be necessary, and who have been provided with an official residence with this object;

(2) To an officer entitled to a free house as a part of his official emoluments in accordance with an order of Government. A free house does not include any of the furniture required for it, but Government will do all that any landlord usually does, such as providing mats, blinds, employing a gardener, &c.

4. The amount of rent to be paid per mensem by any private person for the occupancy of a Government building will be fixed in each case by the Public Works Secretary to Government at half per cent on the original cost or present value of the building as shown in the Registers, subject to the minimum limit of Rs. 2.

N. B.—A proportionate reduction to be made in the event of only a part of the building being occupied. This may be applied also to Government officials at the discretion of the Public Works Secretary.

5. The collection of rents (except for travellers' bungalows) will rest with the Public Works Department, to which they will be credited.

6. The payment of municipal or other taxes to rest, as at present, with the Public Works Department.

7. The custody of all unoccupied buildings will rest with the Revenue Department which will be held responsible for all wanton damage which may happen to them while in its charge. Watchmen should be employed at Government cost only when a building is vacant. Proposals for the occupation of such buildings for public purposes, or as residences of officials or others, should be sanctioned by the Public Works Department.

8. The work to be done by the Public Works Department to public buildings occupied as residences will be confined to what is necessary—

(1) for the stability of the building,
(2) to prevent deterioration of or leakage through the roof,
(3) to what may be required for proper sanitation,
(4) in exceptional cases to provide minimum accommodation (where it already does not exist) for a household of a nationality to which the officer belongs.

9. All other additions, alterations, or repairs (including white and color washing) must be carried out by the tenants, who will be held responsible for the condition of the building and who, on vacating, are bound to hand over the same in clean and proper order.

10. Improvements or alterations proposed by tenants can be made by them with the *express approval* of the Executive Engineer, who is at liberty to assist them in the execution or designing of such work, or to carry out himself the improvements or alterations necessary, as well as all necessary periodical repairs, recovering the cost beforehand from the tenants.

11. Occupants of Government buildings must give timely intimation to the Public Works officer or subordinate at the place, of the date on which they intend to vacate, to allow of an inspection being made to ascertain that the buildings are handed over "in clean and proper order." If a building is not in that condition, what is required to render it so should be noted and communicated to the party concerned at once, and steps taken to recover cost of same from him.

12. These rules do not apply to travellers' bungalows for the occupation of which by Government officials, the prescribed fees will be levied.

13. If a building is provided for a Government official as his residence, whether newly built, bought, or adopted for the purpose, that official is bound to pay rent even if he does not occupy it. But if the building is taken up by some other official, the rent recovered from him will be deducted from the amount of rent payable by the official for whom the house was intended.

FROM

Revenue Commissioner in Mysore.

To
H. V. NANJUNDAYYA, ESQ., M.A., M.L.,
Secretary to the Govt. of H. H. the Maharaja of Mysore,
General and Revenue Depts.

SIR,

With reference to correspondence ending with your docket No R 544/ R.F. 16-00-1 dated 18th August 1903 forwarding to me the file of papers relating to the formation of the Hosadurga Taluk I have thehonor to send herewith copy of letter No. 170 dated 23rd June 1903 from the Deputy Commissioner, Chitaldurg District.

2 The Deputy Commissioner's proposals may be briefly stated as follows:-

(I) The transfer of 21 villages situated north of the Marikanave Reservoir from the Lakkahalli hobli to Holalkere Taluk.

(II) The transfer of three villages namely Bailhalli, Bansehalli and Tanigehalli from Holalkere to Hosadurga.

(III) The transfer of the four villages of Biderkere, Arlag ghatta, Mallenhalli and Muddapur from Holalkere to Hosadurga, for providing the Hosadurga Taluk with a Railway station.

(IV) The transfer from Chikkanaikanhalli Taluk of the villages of Yelanadu, Motahalli, and Bhatrahatti to the Hosadurga Taluk as forming the remaining villages in charge of the Shanbog of Kadavegere

(V) The transfer from Chikkanaikanhalli Taluk of Singapur to Hosadurga Taluk as being in the Shanbogi circle of Gaviranga-pur already transferred.

3 It may be noticed that the recommendation of the Deputy Commissioner, as regards items IV and V above, is opposed to the

the statement made in para 2 of letter No. 56 dated 17th July 1902 from the Deputy Commissioner, Chitaldurg, to the Secretary to Government. On the strength of the above statement Gavirangapur was added on to the Taluk as forming part of the Shanbog circle of Kadavegere. The discrepancy has been pointed out to the Deputy Commissioner and a report called for as regards the constituent villages of the Shanbog circle of Kadavegere. The report will be forwarded when it is received.

4 I am not in favor of making further changes in the territorial limits of the Hosadurga Taluk. It is true that the 21 villages situasituated north of the Marikanve reservoir will be at some distance from Hosadurga but the hobli though a comparatively large charge is not far beyond the capacity of a competent Sheikdar. I would therefore recommend that the existing 253 villagesof the Taluk may be divided into 4 heblis. The Head quarters and the number of the constituent villages of the heblis will be as shewn below.

I	Hosadurga.	84 villages out of which 6 will be submerged.
II	Mutbodi	53
III	Bagur	56
IV	Budihal	60
	Total	253.

5 The file of papers received from you is herewith returned.

I have the honor to be,

Sir,

From

H. Ramanujaiengar Esq

Deputy Commissioner, Chitaldurg District.

To

V.P. Madhava Rao Esq. C.I.E.

Revenue Commissioner in Mysore, Bangalore.

Sir,

In reply to your letter No. 2204 dated 29th April last calling for a report regarding any alteration required to be made in the existing grouping of villages into Hoblis or in the choice of Head Quarters of hoblis of the newly constituted Taluk of Hosadurga, I have the honor to state that on a perusal of the records bearing on the subject and from the enquiry and local inspection made by me at the time of the Jamabundy of the Taluk which I conducted this year and having again consulted the Amildar, I feel convinced that without some modification of the Taluk boundary it is impossible to adjust the Lakkihalli hobli on a workable plan, though I am fully conscious of the trouble and expense involved in such modification.

2 As at present constituted the Lakkihalli hobli consists of 62 villages. The area is not only extensive but comprises mostly of hilly tracts which render locamotion difficult. Since the formation of the Marikanve Reservoir the hobli has been split up into two blocks one to the north of the reservoir and the other to the south. Communication between the two blocks is impossible without making a long and tedious detour. In consequenc of this difficulty it is absolutely necessary to break up this hobli and re-adjust the adjoining hoblis accordingly.

3 The arrangements already proposed by Mr. M. Narain Rao for the formation of the new Mathodi hobli provides for the inclusion within its limits of the 33 villages of the Lakkihalli hobli comprising the southern block. I fully concur in this suggestion and it may be finally adopted.

4 The real difficulty is in regard to the northern block comprising 29 villages. If the present Taluk boundary is to stand

question would promote the convenience of the villagers without necessitating the splitting up of the Shanbogi circle or rendering the boundary of the Taluk irregular.

8 The Biderkere Railway Station otherwise called Hosadurga Road Station though situated within the limits of the Holalkere Taluk is nearer to Hosadurga than to Holalkere by road being only within 12 miles from the former. After the commencement of the Marikanve works the station has grown in importance as the State Officers and other visitors on their way to Marikanve alight at this station. It seems therefore desireable to bring this Station within the jurisdiction of the Amildar of Hosadurga There are no less than 5 Railway Stations within the limits of the Holalkere Taluk while the Hosadurga Taluk has none. I beg therefore strongly to recommend that the Biderkere Firka consisting of the villages of Biderkere, Arallaghatta, Mallenahalli and Muddapur may be added on to Hosadurga from the Holalkere Taluk.

9 As regards the villages transferred from the Chiknayakenhalli Taluk, I beg to state that of the Yelanadu Firka comprising the villages noted in the margin only one village namely Kadavegere stands transferred to the Hosadurga Taluk while the rest remain attached to the Chiknaykenhalli Taluk. The Shanbog of this circle represented to me at the time of Jamabundy the trouble and inconvenience involved in his having to serve in two Taluks of different Districts and prayed that either Kadavegere might be retransferred to Chiknaykenhalli or the remaining villages of his firka also transferred to Hosadurga. The retransfer of Kadavegere to the Chiknaykenhalli Taluk is out of the question as it is in the block of villages added on to Hosadurga while the formation of this single village into a separate circle by itself as contemplated by Government Proceedings No. 639-79/ R.F. 16-1900 dated 1st August 1902, would be attended with practical difficulty. The village is a small one with a revenue of less than Rs200/- The potgi which the Shanbog would get according to the prescribed scale wouldbe trifling. If the hakdar neglects his work and it becomes necessary to appoint an Officiator on behalf of Government a proper substitut-

Yelanadu
Motihalli
Bhatrahalli
Kadavegere

substitute may not be procurable on account of the smallness of the remuneration. The Shanbog of Gavirengapur wants the only other village of Singapur of his circle to be transferred to the Hosadurga Taluk on similar grounds. The request of these Shanbogs appears to be reasonable and may be complied with by ordering the transfer to the Hosadurga Taluk of the remaining village of their circles which are situated close to the present boundary of the Budihal hobli of that Taluk.

10 The above proposals may be briefly put thus :-

SIR,

With reference to correspondence
ending with your No. R. 398/R F. 16 of 1890-91
the 3rd Ultimo, observing that it is anomalous
one Department should have the control of
another the Director of Government buildings
and that there seems to be no reason why
same Department should not have both, I
have the honor to inform you that before
issue of Government order (P W) No. 390-416/2780-816
12th June 1890, existing in the P. W. D. the power
to allocate unexpired public buildings
much confusion and contradiction of orde

as soon as Commissioner need to give away
public buildings on requisition made to them,
other need to apply to the office for permission
while in some case the sanction of Government
in the General Department need to be applied
for. In view to prevent such confusion,
the order of 27th June, '80 was issued with
the approval of the late Sir H. Maclachlan
Ltr and the same was subsequently in-
corporated with Rules of Government Pro-
ceedings No 383-415 / 387-430 of 22nd June '81.

2. The maintenance of all Government
buildings as well as the collection of rents
paid for their occupancy, except Travellers'
Bungalow, rest with the P.W. Department
and I do not see any anomaly in the
present practice or necessity for any change.
The reason why the "Keeping" of all
unoccupied buildings is vested in the Revenue
Department is primarily to safeguard
such buildings with the assistance of the
Police &c.
